GymFit User Stories Testing Document

01-01 View All Classes that Are Available

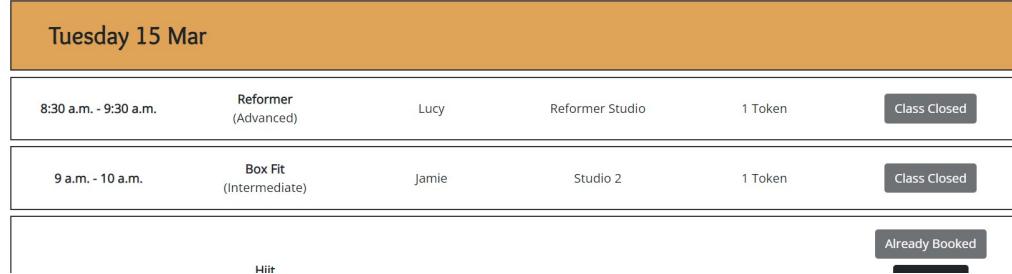

Users are given 2 options of how to view all the classes available which are available from the NavBar on all pages.

Classes this Week displays all classes in the coming week from the current date including the same day a week later (8 days in total) as during the day classes will become unavailable when they start and it's easier for users to find the class the week after if they want to book onto the one they missed.

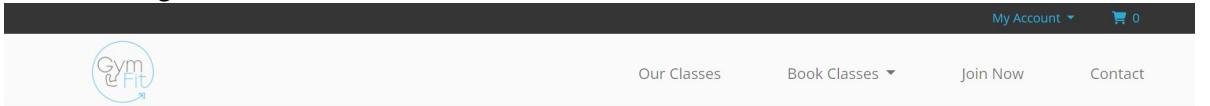

Class Booking - This Week

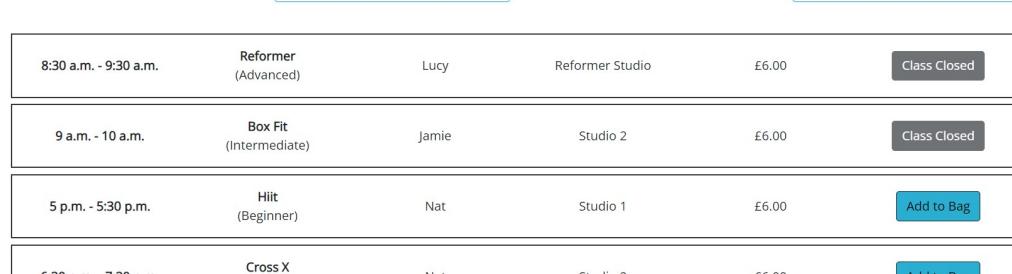

Time	Type	Instructor	Studio	Tokens	Status
8:30 a.m. - 9:30 a.m.	Reformer (Advanced)	Lucy	Reformer Studio	1 Token	Class Closed
9 a.m. - 10 a.m.	Box Fit (Intermediate)	Jamie	Studio 2	1 Token	Class Closed
Hiit					Already Booked

Classes By Day displays the classes available on a single day. When the page is loaded the default is the current date but any future date can be selected from the DatePicker input widget which will load on change.

Class Booking - By Day

Time	Type	Instructor	Studio	Price	Status
8:30 a.m. - 9:30 a.m.	Reformer (Advanced)	Lucy	Reformer Studio	£6.00	Class Closed
9 a.m. - 10 a.m.	Box Fit (Intermediate)	Jamie	Studio 2	£6.00	Class Closed
5 p.m. - 5:30 p.m.	Hiit (Beginner)	Nat	Studio 1	£6.00	Add to Bag
6:30 p.m. - 7:30 p.m.	Cross X	Nat	Studio 2	£6.00	Add to Bag

Both Class views have the option to be filtered by Class Categories including the Users list of Favourite Class Categories if it exists. This filter selection is kept when changing the date on Classes By Day.

Document Date: 15/03/2022

01-02 Filter Classes by Category including Favourite Class Category list (if logged in)

Both Class views have the option to be filtered by Class Categories including the Users list of Favourite Class Categories if it exists. The filter options can be chosen from the Select drop-down menu and will update on selection and is kept when changing the date on Classes By Day.

The image shows two identical-looking dropdown menus for filtering classes. Both menus have a header 'Filter by...' with a dropdown arrow. Below the header is a list of categories: Show All, Box Fit, Circuit Training, Cross X, Hiit, Pilates, Reformer, and Yoga. There are two horizontal bars with numerical values: £6.00 on the left and £6.00 on the right. At the bottom of each menu is a blue 'Add to Bag' button. The right-hand menu also features a 'My Account' dropdown menu at the top.

01-03 See what classes are fully booked

When classes are fully booked, the Add To Bag Button will be replaced with a full booked disabled button and if the URL is entered manually there is a check in the Book with Package and Add Single Exercise Class to Bag functions which check this. This is the same for both class display pages.

A screenshot of a website's class listing page. At the top, there's a navigation bar with 'GymFit' logo, 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. Below the navigation, a large orange banner displays the date 'Wednesday 16 Mar'. The main content area shows a table for a class on Wednesday. The first row contains the time '2 p.m. - 3 p.m.', the class name 'Circuit Training (For All)', the trainer 'Lee', the location 'Studio 1', and the price '£6.00'. To the right of the price is a red rectangular button labeled 'Fully Booked'.

01-04 See what classes are almost at full capacity

If a class's remaining spaces is between 0 and 5 then a warning message will show on the class details display. This is the same for both class display pages.

A screenshot of a website's class listing page. The table for a class on Wednesday includes the time '4 p.m. - 5 p.m.', the class name 'Pilates (Beginner)', the trainer 'Lucy', the location 'Studio 2', and the price '£6.00'. Above the 'Add to Bag' button, there is a red rectangular message box containing the text 'Only 4 Spaces Left!'. The 'Add to Bag' button is also red.

01-05 View individual class detailed information (time, location etc)

The class displays on both pages contains all the class information the user needs to see before booking or purchase including category, time, location, trainer and cost. How the cost is displayed depends on if the User has an active class access package with tokens.

A screenshot of a website's class details page showing three separate class entries. Each entry includes the time, class name, trainer, location, and cost. The first two entries have a standard 'Add to Bag' button. The third entry for 'Circuit Training (Beginner)' has a 'Book with Tokens' button instead of an 'Add to Bag' button.

4:30 p.m. - 5:30 p.m.	Cross X (Beginner)	Lee	Studio 1	£6.00	Add to Bag
5 p.m. - 6 p.m.	Pilates (Beginner)	Jade	Studio 2	£6.00	Add to Bag
6:30 p.m. - 7:30 p.m.	Circuit Training (Beginner)	Jade	Studio 2	1 Token	Book with Tokens

User Stories Testing

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

Thursday 17 Mar		
8 a.m. 60 mins	Yoga (Intermediate) Studio 2 1 Token	Book with Tokens
noon 60 mins	Circuit Training (Intermediate) Studio 1 1 Token	Book with Tokens
5:30 p.m. 45 mins	Hiiit (Advanced) Studio 1 1 Token	Book with Tokens

Some of the information, like the trainer, is omitted at smaller view widths for readability and to improve user experience however this information is non critical to the booking

01-06 Learn more about the classes offered

All details about the classes offered can be found on the Class Category Details page which is accessible through the Our Classes button on the NavBar and then selecting the View Class Details button on any Category Card.

These details include a description, equipment required if any and any reviews that have been left by other users.

The screenshot shows the GymFit website's class details page for 'Cross X'. At the top, there's a navigation bar with 'My Account' and a shopping cart icon. Below the nav bar, the GymFit logo is on the left, and menu items 'Our Classes', 'Book Classes', 'Join Now', and 'Contact' are on the right. The main content area has a title 'Cross X' with a heart icon. Below the title is a photo of gym equipment (kettlebell, medicine ball, ropes) on a wooden box. A description follows: 'By using a mixture of calisthenics, plyometric and free weights with general lifting and some Olympic lifting techniques, in an always changing scalable format, this class can help you achieve your goals.' It also lists 'Equipment Required: Water, Towel and Supportive Shoes' and a '5.0/5 Star Average Rating from 1 Review'. A 'Write A Review' button is at the bottom right of the content area.

Class Reviews

Date	Username	Review	Rating
11 March 2022 at 15:15	anya	Love this class!	5

01-07 View what Class Access Packages are available

The user can view all Class Access Packages in the Join Us page which is always accessible from the Main NavBar or Full Screen Mobile NavBar.

On this page all the information about the packages is available including price, details about the package in a popover when the information icon is hovered over or clicked on for smaller screen sizes.

If the User already has a Token Package with tokens remaining then they will not be able to buy a Unlimited Use package until they have used all their tokens or they expire. The Add to Bag buttons in this case will show Active Tokens and be disabled. The User can buy more tokens and they will be added to their token total which will also update the expiry date on all the tokens to the new packages expiry date.

If the User has an active Unlimited Use Package, they will not be able to buy a new package until the old one expires. Until that date all Add to Bag buttons on this page will display Active Package and be disabled.

User Stories Testing

Project Manager: Nick Lennon

Document Date: 15/03/2022

The screenshot shows the GymFit website interface. At the top, there is a navigation bar with links for 'My Account' (showing 0 items), 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main content area features a section titled 'Join Us' with the sub-section 'Class Tokens'. It displays two package options: a '4 Class Tokens Package' (4 tokens included, £21.00) and an '8 Class Tokens Package' (8 tokens included, £42.00). Both packages include a detailed description of their usage. Below this is a section titled 'Unlimited Use' with two pass options: a '14 Day Unlimited Pass' (14 days class access, expires March 29, 2022, £35.00) and a '28 Day Unlimited Pass' (28 days class access, expires April 12, 2022, £60.00). Each pass includes a description of its benefits. The footer contains the GymFit logo, social media links (Facebook, Instagram, YouTube), and address information: GymFit Address, 87-95 Rye Lane, London, SE15 4TG. A blue header bar at the bottom left contains the text '01-08 Add a class or class access package to my shopping bag'.

01-08 Add a class or class access package to my shopping bag

All Class Access Packages and Single Exercise Classes have an Add to Bag button right next to them, for Guest and Signed in Users without an active Class Access Package, in their respective displays, which are always accessible from the NavBar.

User Stories Testing

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

The screenshot shows the GymFit website's homepage. At the top, there is a navigation bar with links for 'My Account' (showing 0 items), 'Our Classes', 'Book Classes ▾', 'Join Now', and 'Contact'. The main heading 'Join Us' is displayed, followed by the subtext 'Here you can find our selection of Class Access Packages'. Below this, a section titled 'Class Tokens' lists two options: a '4 CLASS TOKENS PACK' for £21.00 and an '8 CLASS TOKENS PACK' for £42.00. Each option includes a description: '4 Tokens Included' for the 4-pack and '8 Tokens Included' for the 8-pack, along with a blue 'Add to Bag' button.

01-09 Book using a unlimited class access package or class tokens

If the User account has a class access package, either tokens or unlimited use, assigned to it then the buttons next to the exercise class display on all purchasing locations will display differently to reflect this. How the cost of the class is displayed will also change depending on the package.

This is when the user has an active Unlimited Use package:

A class booking interface for a 'Box Fit (Beginner)' session at 'Lee' in 'Studio 1' from '6 p.m. - 7 p.m.' is shown. The cost is listed as '£6.00' and the booking button is labeled 'Book with Package'.

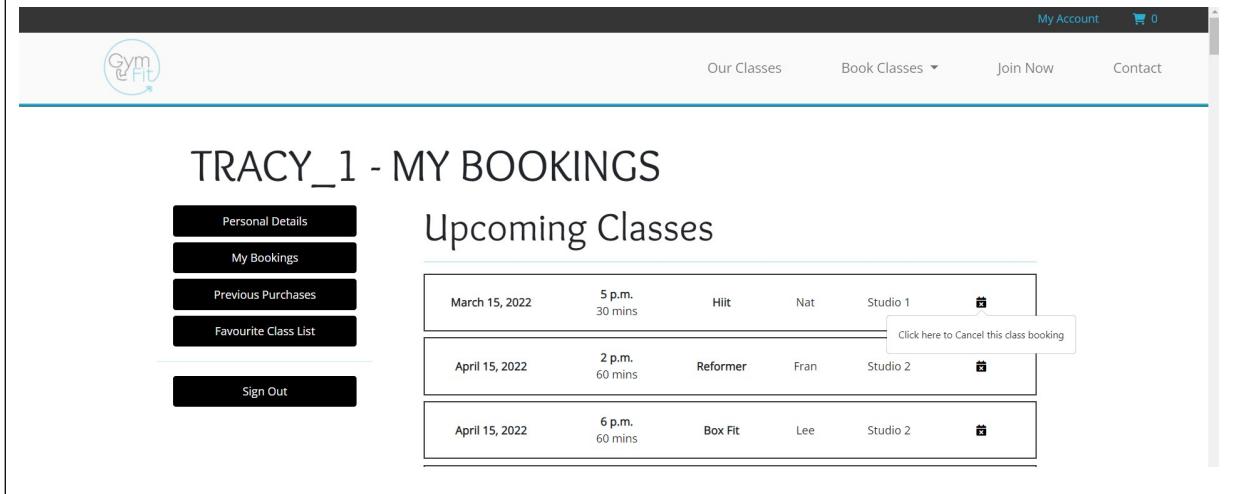

This is when the user has an active Tokens package:

A class booking interface for a 'Box Fit (Beginner)' session at 'Lee' in 'Studio 1' from '6 p.m. - 7 p.m.' is shown. The cost is listed as '1 Token' and the booking button is labeled 'Book with Tokens'.

01-10 Cancel classes and be refunded

A User can find the upcoming and previous classes they have booked onto in the My Bookings section of their profile page. Next to every upcoming class is a cancel booking icon with a popover to explain its function.

The screenshot shows the 'MY BOOKINGS' section for user 'TRACY_1'. The left sidebar contains buttons for 'Personal Details', 'My Bookings' (which is highlighted in red), 'Previous Purchases', 'Favourite Class List', and 'Sign Out'. The main area is titled 'Upcoming Classes' and lists three bookings:

Date	Time	Duration	Instructor	Booker	Studio	Action
March 15, 2022	5 p.m. 30 mins		Hil	Nat	Studio 1	
April 15, 2022	2 p.m. 60 mins		Reformer	Fran	Studio 2	
April 15, 2022	6 p.m. 60 mins		Box Fit	Lee	Studio 2	

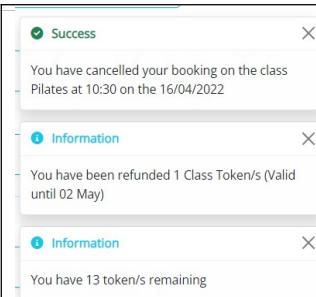

Each booking row includes a 'Click here to Cancel this class booking' link next to the cancel icon.

User Stories Testing

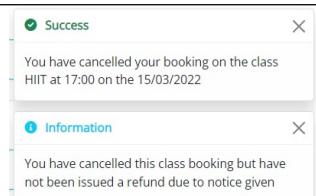

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

Clicking this icon will prompt a user confirmation before canceling the users booking and if they have given enough notice they will be refunded and informed of this through a on screen message.

If they have not been refunded the User will be informed of this the same way.

01-11 Be informed by email of any changes to classes that I have booked on to

If a class is updated by a Superuser then all participants of that class are notified by email with any important detail changes noted.

Gym Fit Exercise Class Details Update for HIIT originally on March 15, 2022 Inbox X

gymfitms4@gmail.com

to me ▾

Hello Adam!

Unfortunatly we have had to make some changes to one of your upcoming exercise class bookings.

The updated details for the HIIT class are below:

Date : 2022-03-15
Start Time : 15:00 (Changed)
Location : Studio 1
Duration : 30 mins (Changed)

We apologise for an inconvenience caused and look forward to seeing you for your HIIT class!

If you wish to cancel your booking, due to these changes, then please do so through your profile page on our site

If you have any questions, feel free to contact us at gymfitms4@gmail.com.

Kind Regards

Gym Fit

If a class is deleted/cancelled by a superuser then all participants are informed by email and refunded the token cost of the class, giving those with no class access package a refund package for the amount.

Gym Fit Exercise Class Cancellation for HIIT on March 15, 2022 Inbox X

gymfitms4@gmail.com

to me ▾

12:57 (1 minute ago)

Hello Adam!

Unfortunatly we have had to cancel one of your upcoming exercise class bookings.

The details for the cancelled class are below:

02-01 View a summary of the items contained in their shopping bag

The User's shopping bag is accessible at all times from the NavBar Shopping Cart icon. The items in the bag are displayed the same as how they are displayed on their respective purchasing pages.

As you can only purchase one Class Access Package at a time, it is listed separately to the individual single exercise classes.

The screenshot shows the GymFit website's shopping bag page. At the top, there is a navigation bar with links for 'My Account', 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main content area is titled 'Shopping Bag' and displays two sections: 'Class Access Package' and 'Single Exercise Classes'.

Class Access Package:

CLASS TOKENS 8 PACK	8 Class Tokens Package	Expires: June 7, 2022 (if purchased today)	£42.00	
Remove this Package from your Bag				

Single Exercise Classes:

March 16, 2022 : 17:00:00 - 18:00:00	Pilates	Jade	£6.00	
March 18, 2022 : 14:00:00 - 15:00:00	Reformer	Fran	£12.00	

Total: £60.00

[Classes This Week](#) [Class Packages](#)

02-02 View a summary of the items contained in their shopping bag

The screenshot shows a single class item in the shopping bag. It includes the price (£6.00), the class name (Pilates), the instructor (Jade), and the total cost (£12.00). There is also a trash icon with a popover message: 'Remove this Class from your Bag'.

02-03 View the total cost of the bag contents

The screenshot shows the total cost of the bag contents, which is £60.00, displayed prominently at the bottom right of the shopping bag page.

Total: £60.00

02-04 Easily enter personal and payment information

The screenshot shows the checkout process. It displays the total amount (£60.00) and a 'Proceed To Checkout' button. Below the button, there is a detailed description of the order summary and a form for user information. The text describes how the user can sign in and have their data auto-filled for a quick checkout.

Underneath the total amount on the Bag page, there is a proceed to checkout button which takes the user to the checkout page.

On the checkout page there is, a display of the Order Summary containing the key information about the items assigned to the current order and a form where the user is prompted to fill out with their information. If the user is signed in and has data stored in their account, this form will be auto filled with their data for a quick and easy checkout. At the bottom of the form is a Stripe card element which validates data on entry to help correct any issues before submission. All input validation errors are shown below the input in red text.

User Stories Testing

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

The screenshot shows the GymFit Checkout page. At the top, there's a navigation bar with links for 'My Account', 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main content area has a heading 'Checkout'. On the left, there's an 'Order Summary' table:

Order Summary	
8 Class Tokens Package	£42.00
Pilates at 17:00 on the 16/03/2022	£6.00
Reformer at 14:00 on the 18/03/2022	£12.00
Total :	£60.00

To the right, there's a section titled 'Fill out this form to complete your order' with 'Contact Information' fields:

Trudy Garthwait
test_user_1@gmail.com
07372 348 342

Below that is an 'Address' section with fields for street, town, county, and country, along with a dropdown for 'Save this information to my profile'.

At the bottom, there's a 'Payment' section with a 'Card number' field and a 'Complete Order' button. A note below says 'You will be charged £60.00'.

02-05 Process a secure payment

After the User has entered all the required information and it has been validated, clicking the Complete Order button will disable the form and all buttons and display a processing screen.

If there are no problems the order is processed and the user is taken to an order summary screen with a notification that the order was placed with a an email to the supplied email address confirming the order.

The screenshot shows the GymFit Order Review page. At the top, there's a navigation bar with links for 'My Account', 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main content area has a heading 'Order Review'.

Under 'Thank You for your Order', it says 'Your order information is below. A confirmation email will be sent to test_user_1@gmail.com'.

There are two tables: 'Billing Information' and 'Order Information'.

gymfitms4@gmail.com
to tommy_1 ▾

14:49 (0 m)

Hello from Gym Fit!

You're receiving this e-mail because user tommy_1 has given your e-mail address to register an account on <https://gym-fit-ms4.herokuapp.com/>.

To confirm this is correct, go to <https://gym-fit-ms4.herokuapp.com/accounts/confirm-email/OQ:1nU8UgJUMG24SGfB7NDYackVHTryYHZM5lh2piS9arlYUoK6o/>

Thank you for using Gym Fit

<https://gym-fit-ms4.herokuapp.com/>

When clicked the link takes the User to a page to confirm their account which then allows the user to be able to sign into their account.

The screenshot shows the GymFit website's sign-in page. At the top, there is a navigation bar with links for 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. On the left, the GymFit logo is displayed. The main content area has a heading 'Sign In' and a message: 'If you have not created an account yet, then please [sign up](#) first.' Below this are two input fields for 'Username or e-mail' and 'Password', followed by a 'Remember Me' checkbox. At the bottom of the form are 'Home' and 'Sign In' buttons, and a 'Forgot Password?' link. To the right of the form, a success message box is visible, stating 'Success' and 'You have confirmed tommy_1@example.com.'

03-02 Log in and out of their account

Once verified, a User can sign into their account by choosing the Sign In options from the My Account drop-down menu which is always accessible from the NavBar. This takes them to the sign in page where the sign in form data is validated and the user is signed in.

The screenshot shows the GymFit website's sign-in page again, but this time the 'Sign In' button in the navigation bar is highlighted. The rest of the interface is identical to the previous screenshot, showing the sign-in form and the success message box.

When the User signs in they are taken to the home page with a success message displayed

User Stories Testing

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

The screenshot shows the GymFit website. At the top, there's a navigation bar with 'My Account' (containing a shopping cart icon with '0'), 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main banner features a group of women in a fitness studio with the text 'Welcome to Community Fitness'. A circular 'Gym Fit' logo is overlaid on the image. Below the banner, a success message box says 'Successfully signed in as tommy_1.' The page content includes a sidebar with 'Personal Details', 'My Bookings', 'Previous Purchases', and 'Favourite Class List' buttons, and a 'Sign Out' button. The main area shows fields for 'Username *' (tommy_1), 'First Name', 'Last Name', and 'Email'. To the right, text instructions explain how to sign out and reference a 'Sign Out confirmation page'. A 'Sign Out' confirmation dialog box is shown at the bottom.

To sign out the User has to navigate to their account, which is always accessible through the My Account button on the NavBar, and click the Sign Out button which is at the bottom of the Account Menu.

From here the User is taken to a Sign Out confirmation page which on confirmation, signs user out

03-03 Recover account log in details if they are forgotten

On the Sign In page there are also options for account recovery services. The Forgot Password button takes the User to the Password Reset page.

The screenshot shows the 'Password Reset' page. It has a header with 'My Account' (containing a shopping cart icon with '0'), 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The main content asks for forgotten password details and includes an input field for 'tommy_1@example.com'. It features 'Back To Login' and 'Reset My Password' buttons. A note at the bottom encourages users to contact support if they have trouble resetting their password.

03-05 Add or Remove Categories in the Class Category Favorites list

A category can be added to a signed in user's Favourite Class List from the Our Classes page by clicking on the empty heart icon on the Class display card. There is also a a popover to explain what clicking on the icon will do.

If the Category is already in the Favourites list then the icon will display as a full red heart and clicking it will remove that category from the Favourites list, again with a popover to explain what clicking on the icon will do.

Document Date: 15/03/2022

The screenshot shows the GymFit website's account page. On the left, a sidebar menu includes Personal Details, My Bookings, Previous Purchases, and Favourite Class List, with a Sign Out button at the bottom. The main content area has fields for Username (tommy_1), First Name (Tommy), Last Name (jones), Email (tommy_1@example.com), and Phone Number. A success message box is open, stating "Profile updated successfully". The top navigation bar includes links for Our Classes, Book Classes, Join Now, Contact, and a shopping cart icon showing 0 items.

03-07 View upcoming and previous classes attended

Upcoming and Previous classes can be found in the My Account page after the User has selected the My Bookings menu option.

The screenshot shows the GymFit website's account page with the "My Bookings" tab selected. The sidebar menu is identical to the previous screenshot. The main content area is titled "Upcoming Classes" and lists two entries: "March 16, 2022 5 p.m. 60 mins Pilates Jade Studio 2" and "March 18, 2022 2 p.m. 60 mins Reformer Fran Studio 2". Below this is a section titled "Previous Classes" with one entry: "March 10, 2022 3 p.m. Hiit Lucy Studio 2". A "Class Access Package" link is visible at the bottom of the sidebar.

The classes are displayed separately so as a class starts it moves from the list to list.

03-08 View order history

A Users Order history can be found under the Previous Purchases tab in the Profile Menu. It shows a brief description of the orders, in chronological order, with a popover on the contracted order number to display the entire thing.

User Stories Testing

Project Name: GymFit

Project Manager: Nick Lennon

Document Date: 15/03/2022

The screenshot shows the GymFit website's user profile page. At the top, there is a navigation bar with links for 'My Account', 'Our Classes', 'Book Classes', 'Join Now', and 'Contact'. The user's profile picture is on the left, and the name 'TRUDY_01' is displayed prominently. Below the navigation, a section titled 'PREVIOUS PURCHASES' lists two orders. Order 4631B... (March 15, 2022) includes a 'Tokens Package' and a 'Pilates' class. Order C5012... (March 10, 2022) includes a 'HIIT' class. A link 'Click onto the order number to view more details' is present above each order. On the left, a sidebar menu offers 'Personal Details', 'My Bookings', 'Previous Purchases' (which is currently selected), and 'Favourite Class List'. A 'Sign Out' button is at the bottom of the sidebar.

Class Access Package

If the user clicks the link in the order number they are taken to a previous purchase order review where they can view all the details about that order with several notifications about how they are viewing a previous order.

The screenshot shows the 'Order Review' page for order C501268B857F43AA92D4B83C1A2623AA. The page title is 'Order Review'. It starts with a 'Thank You for your Order' message and a note that it's for a previous order. A 'Back to Profile' button is available. The 'Billing Information' section shows a full name (Trudy Garthwait) and email (test_user_1@gmail.com). The 'Order Information' section shows the order number and date (March 10, 2022, 1:21 p.m.). The 'Order Summary' section shows a single HIIT class at £12.00. A tooltip provides a past confirmation message for the order. The page has a light blue header bar with the text '03-09 Add and Delete reviews of classes they have participated in'.

If a User, who is signed in, navigates to the Class Category page of a class they have participated in, they can leave a review by clicking on the Write a Review button.

The screenshot shows the 'Class Reviews' page. At the top right is a 'Write A Review' button. Below it is a table with columns for 'Date', 'Username', 'Review', and 'Rating'. One row shows a review from 'admin' on March 9, 2022, rating it 4 stars. The review text is 'Worked up a real sweat with this one!'. A note below the table states: 'This will take them to the Write a Review form.'

Hello Adam!

Unfortunatly we have had to make some changes to one of your upcoming exercise class bookings.

The updated details for the Circuit Training class are below:

Date : 2022-03-16

Start Time : 15:00 (Changed)

Location : Studio 1

Duration : 30 mins (Changed)

We apologise for an inconvenience caused and look forward to seeing you for your Circuit Training class!

If you wish to cancel your booking, due to these changes, then please do so through your profile page on our site

If you have any questions, feel free to contact us at gymfits4@gmail.com.

Kind Regards

Gym Fit

05-06 Cancel a class with email notification for all booked on an a refund of a class token

To cancel a class the superuser just has to select the Cancel Class button displayed on the class they want to delete . They will then be prompted to confirm the cancellation and on confirmation the class will be deleted and the page will be reloaded to display a user feedback message with what was cancelled and how many tokens were issued as refunds. All users in the class participant field will be refunded the token cost of the class.

Wednesday 16 Mar

2 p.m. - 3 p.m. Circuit Training (For All) Lee Studio 1 1 Token

4:30 p.m. - 5:30 p.m. Cross X Lee Studio 1 1 Token
